in what and where is god a human answer to the deep religious cry of the modern soul richard la rue swain embarks on an

intellectual and spiritual journey to address humanity's most pressing questions about the divine presence in an increasingly secular world through a blend of philosophical inquiry and introspective reflection. Swain offers a unique synthesis of contemporary religious thought, analyzing the ways modernity has shaped our understanding of God. The book is marked by its accessible literary style, inviting readers to engage with profound theological concepts in a manner that resonates with the lived experiences and struggles of today's society. Richard LaRue Swain, a noted scholar in the fields of theology and philosophy, draws upon a rich background of academic exploration and personal experience in articulating his views. His diverse educational pursuits and deep engagement with both historical and modern religious practices inform his analysis, enabling him to present a compelling argument that juxtaposes human longing with the quest for understanding divine existence. Swain's insights emerge from decades of reflection on the intersection of faith and reason, positioning him as a credible voice in contemporary theological discourse. This book is highly recommended for readers seeking to reconcile their spiritual questions with the complexities of modern life. Whether one identifies as religious, spiritual, or secular, Swain's thoughtful examination offers a framework for understanding the divine in a way that is both relatable and profound. Engage with this thoughtful work to deepen your own exploration of faith and existence.

conveniently organized chapters provide scriptural insight into common situations in life from childbirth to death, from anxiety to resisting temptation. Also included are biblical promises and personal prayers.
