the award nominated stories in this collection will bring memories of the future flooding back two new stories and all new afterwords enliven the past with a touch of the present and that which is yet to come you don t need a collection of antique spaceships or a carefully calibrated time machine to share the memories of the final holocaust survivor you don t have to jump through the gate between universes in search of a lost friend all you have to do is open your eyes you ll remember the future the future remembers you

against gravity is a wonderfully quirky but seriously written comedy in the ancient greek sense of a revel through reality with a happy outcome drawing it s characters from the upper echelons of melbourne university it is also a sharply satirical portrayal of academic life and social mores while sir hiram pomfret a world renowned neurophysiologist and the reverend neville cardigan struggle with the moral question of science and religion at the turn of the millennium pomfret s daughter in law delia finds herself as a geneticist in a profession

reviled by feminists and new age spiritualists alike it is delia's journey through alienation and self discovery that really shape the novel her husband who has forever been under the shadow of his famous father even though he is now a successful academic neurosurgeon in his own right is a kleptomaniac and a womaniser delia too has had a long struggle with self worth and how to define her place in the world although her family background is far down the scale from her husband's she and her twin brother were deserted by their parents and raised by an aunt until delia's brother also leaves when she discovers many years later her brother to be the leader of a kooky new age cult with their mother in tow as a kind of spiritual aide her theories of genetic inheritance versus environment are brought into even sharper relief the title of *Against Gravity* is a play on the idea of levity as opposed to gravity and is also a reference to the newtonian force that pulls everyone down eventually in one way or another in this novel people fall from high places they fall from grace they fall under the limitations of age and gender they fall down the stairs *Against Gravity* is not simply funny it is a profoundly witty investigation of morals the debate between science and religion and life as a kind of divine joke about the author sally morrison was born in sydney grew up and was educated in canberra and moved to melbourne in her twenties where she still lives an honours graduate in science she worked for many years as a researcher in the field of bacterial genetics at the university of melbourne in the 1970 she was involved with a book publishing cooperative champion books which published poetry art books and novels including sally's first novel *Who's Taking You to the Dance* patrick white bought part of the novel's print run and promoted it sally morrison's collection of short stories *I am a Boat* was published in the mid 1980s and her second novel *Mad Meg* won the 1995 nbc banjo award for fiction *Against Gravity* is her third novel selling points *Against Gravity*

being the novel that follows sally s success in the banjo awards will have strong review interest against gravity can be promoted as one of the recent highly successful genre of novels that weld science and art what sets this one apart is it s classically comic nature mad meg received universally positive reviews wonderful mischievous energy full of surprises pleasures and laconic wit helen daniel abr broad generous and wonderfully enjoyable it is a great pleasure to read this book carmel bird this wise and balanced novel canberra times an impressive work of fiction andrew riemer
